

The Great Big small Charity Car Draw Poster – How to Print

Step 1: Print the PDF version of the poster, there will be a blank space in the middle, where your personalised information will go. There are 3 versions of the poster:

A4 Poster

Print on Plain A4 Paper

A3 Poster

Print on Plain A3 Paper

Half A3 Poster
(2 per page)

Print on Plain A3 Paper

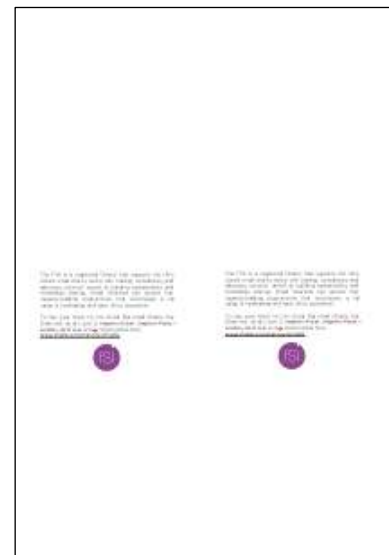

Step 2: Use the word template for the appropriate poster to design your personalised section. There's space to insert an image and some text. Make sure you stay within or in line with the textbox because this lines up perfectly with the posters above. See below for FSI's example.

A4 Poster
Print on top of the
A4 poster

A3 Poster
Print on top of the
A3 Paper

Half A3 Poster
Print on top of the Half
A3 poster (then cut in
half)

Step 3: Print your word design over the poster, making sure you check which way you need to place the paper through the printer. Your personalised design will fit within the space on the original design.
