

Emerging Executives

Business leaders of tomorrow
helping communities today

Individual participants - £1,750 + VAT

- An assessment of your skills and charitable interests which will enable us to match you to a suitable trustee role;
- An individual leadership assessment to support you in identifying your strengths and areas for development to be addressed through the programme;
- Identification of two prospective matched charities and brokering of the non-executive placement to your preferred match;
- Access to face-to-face training or e-learning to introduce you to the small charity sector, charity management and governance;
- Quarterly group support webinars with other programme participants; and
- Two 1:1 advice and mentoring sessions with an experienced charity leader and trustee.
